**Safety Tips: the do's and don'ts of safe fundraising**

A safe fundraiser is our first priority. That's why we discourage anyone from selling to strangers or selling alone door-to-door.

1. Sell with a buddy, never alone.
2. Never allow children to carry collected money unless accompanied by a responsible adult.
3. Never carry large amounts of cash.
4. Never go out after dark.
5. Never talk to strangers who approach you.
6. Make a list of friends, family, relatives, and neighbors to contact in order to avoid unaccompanied door-to-door sales.
7. Parents must be involved in all fundraising activity.
8. Follow all the fundraising instructions provided.
9. Parents must approve everyone you intend to ask to support your group.
10. Always be safe, smart and use common sense.
